

Free Public Service Webinar: After the Storm... do's and don'ts following Hurricane Milton.

Date: Friday, October 11, 2024

Time: 10:00 AM

Panelists:

Board Certified Attorney (Real Estate, Construction & Condo) [Barry Ansbacher](#)
Professional Engineer [W. Ronald Woods](#)
Property Insurance Claims Attorney [Harvey V. Cohen](#)

This will be a Zoom only presentation. For those without internet, you can attend by mobile phone by calling 305-224-1968 and typing in the meeting ID: 853 8684 0289. No Password Required.

Topics:

- Immediate Actions to Take to Mitigate Damage
- Getting the Water Out – Best Self-Help Options Until the Pros Arrive
- Documenting Damage
- Initial Steps in Filing Property Insurance Claims
- Dealing with Flood and Storm Damage Mitigation Contractors
- Assignment of Benefits
- Emergency Powers Available to Condominium & Homeowners Associations
- Understanding Insurance Policy Deductibles, Hurricane Deductibles, Special Limitations & Exclusions
- Flood vs. Property Insurance

This webinar is a **public service to assist Florida residents, community association managers, and community leaders. No business will be solicited.** This course is not for continuing education credit and is for general information only.

Each experienced Panelist will share their advice on the topics. Afterwards questions will be answered by our panel. Please note that this is an education program, legal advice should be sought only from your own attorney. Participation in this class does not create an attorney client relationship or constitute engineering services.
